Grace Christian High School students are required to do volunteer work in their community. There are many opportunities to serve. This will provide valuable hands-on experience and encourage them to serve one another. A community cannot exist without volunteer help.

A one page report is required to complete this class.

In your one page report, explain your community service and how it benefited the community.

Please include a detailed description of your service

The people you inter-acted with.

What life lesson or experience did you learn?

How did you make a difference?
