Vocational Training is an optional High School Elective class.

There is a maximum of 2 years credit

Total Hours needed for credit:

90 hours minimum for 5 units credit

180 hours minimum for 10 units credit

This can be from either a paid or an unpaid experience which helps you to gain training that might help you in attaining or excelling in a work environment. You are not getting credit for working, but for the skills and experience you gain. This could include: job search and interviewing skills, skills learned from customer service, retail, construction, child care, barista, landscaping, animal care, office skills, accounting, etc.

**Final
Grade**

Student Name and grade level: _____

Title to be listed on transcript: _____
